

Canis Major

HOROSCOPE

Aries | March 21 – April 20

The Born—but Selfish—Leader

Your Taurus dog loves you and just wants to be near you and Taurus dogs love children. They are lazier than your usual pooch and love their food, but, just like Chloe, they might need a personal trainer to get them to stay fit and healthy!

Leo | July 22 – August 23

The Domineering Dog

You could call the Leo dog a little arrogant, though they could be labeled the royal zodiac breed! Leo dogs are Kings of their kingdoms and you'll find yourself laughing all the way to the doghouse with this creature. Loaded with personality and full of charisma, Leo dogs are entertaining and full of life, making them great friends for Papi.

Sagittarius | Nov. 23 – Dec. 21

The Difficult One

Very tricky, Sagittarius dogs like things the way they like them and somehow, you have to follow! You never quite know what they're thinking, however, when a Sagittarius dog decides to be your friend, you've got a friend for life!

Taurus | April 21 – May 21

The Pampered One

Your Taurus dog loves you and just wants to be near you and Taurus dogs love children. They are lazier than your usual pooch and love their food, but, just like Chloe, they might need a personal trainer to get them to stay fit and healthy!

Virgo | August 24 – Sept. 22

The Perfectionist

The perfect pet, Virgo dogs will be loyal and attentive though particular about their living arrangements. High maintenance, they like to be exceptionally clean and healthy which makes them feel good about themselves. Chloe could definitely be a Virgo!

Capricorn | Dec. 22 – Jan. 20

The Social Butterfly

Ambitious and driven, Capricorn dogs know their destiny and have a plan to get there! They are well trained and disciplined, but be sure you have the tools to keep up with this dog. They love to socialize and are usually the star of any party. Sounds like a K-9 from the 'Chloe Doggy School of Training!'

Gemini | May 22 – June 21

The Split Personality

Gemini dogs never quite know what they want and when they do decide, they are still in tow minds about it! You will certainly need some patience around these puppies! The good news is they don't mind staying with other people when you are out of town. Fast runners and great fun outdoors, Gemini dogs could be good pals for our hero Papi!

Libra | Sept. 23 – October 23

The Doggy Commissioner

Libra dogs rule the roost! What they say goes and they expect to be treated as equals by their owners. Loyal and dedicated, you'll want to keep your eye on Librans all the time as they are very determined and can be extremely stubborn. You'll need to keep the treats coming as Libran pups expect to be rewarded for everything. Sounds like a Beverly Hills dog!

Aquarius | Jan. 21 – Feb. 19

The Playful Puppy

Though stubborn, Aquarius dogs are a highly determined bunch. Open to learning everything about life, what they lack in thought, they make up for in fun and games. Since they thrive on a house full of activity, Delgado would have a lot of fun hanging out with your Aquarius pup.

Cancer | June 22 – July 21

The Sensitive Soul

This dog really wears its heart on its paw as they need a lot of reassurance and can lack confidence. What they lack in self-confidence they make up for in affection toward their owner. Sensitive creatures,

be patient and show them love every day. Chloe's sensitive side might make her a bit difficult to match with a dog.

Scorpio | Oct. 24 – Nov. 22

The Ultimate One

Dynamic adventurous and expressive describes a Scorpio dog. With a strong sense of self-importance, they are very in tune with their personalities and love to be surrounded by like-minded Scorpio individuals. Though challenging, don't be afraid to discipline your Scorpio dog. If you don't, it'll run rings around you!

Pisces | Feb. 20 – March 20

The Flip-Flopper

With unpredictable traits, Pisces dogs are very complicated. Sometimes unsure of what they want, it can be difficult to keep up with their mood swings. They can be gentle, loyal and rarely like to be alone so you'll always have the comfort of your Pisces dog. Chloe could easily help a Pisces dog gain some confidence in no time!
